---

# Product Portfolio

## 1. OPACO SERIES

Matt colour feel and attractiveness give projects a new touch. Definitely a matt with a lot of attitude! Bringing back the delight of handcrafted excellence, opaco merges feel with timeless classiness. Each colour is so extravagant and luxurious-looking that it will quickly become a priceless complement in your bathroom.

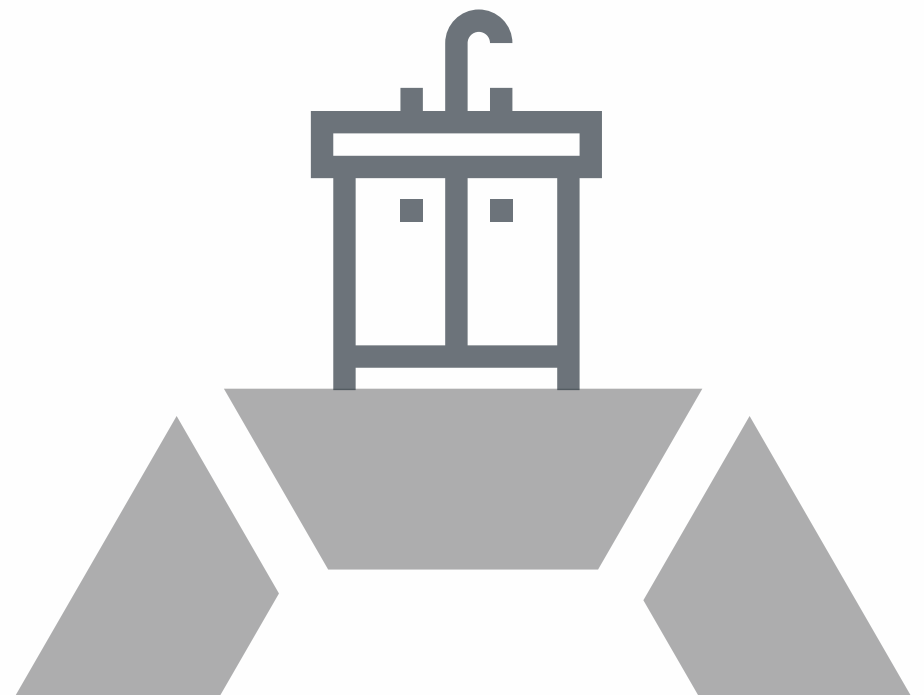

Available in **MATT** finish

## 2. MAGNATE SERIES

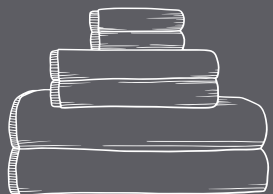

The magnate series is an exclusive handcrafted series of table top basin with an extraordinary design and distinctive packaging. Every product in this artistic range is simple to install, hand made and built to last.

---

### 3. TABLE TOP BASIN

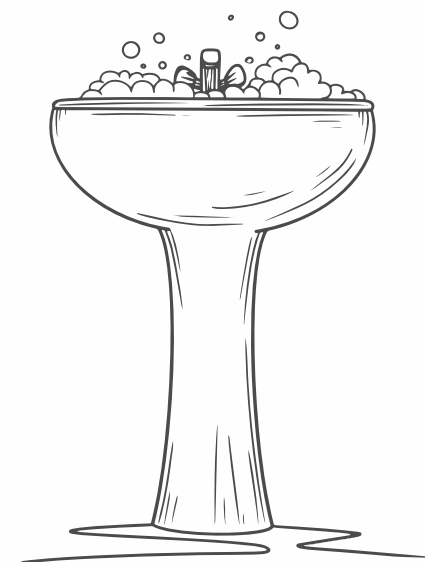

A stylish range of table top basin that can fit in any space, Whether the house entrance or the makeup room or the dining area. A table top basin that focuses on design while not ignoring usability.

## 4. WASH BASIN WITH PEDESTAL

With a blend of spheres and arcs, the contemporary style of the SONA FIELD wash basin lavatory integrates perfectly in the modern bathroom.

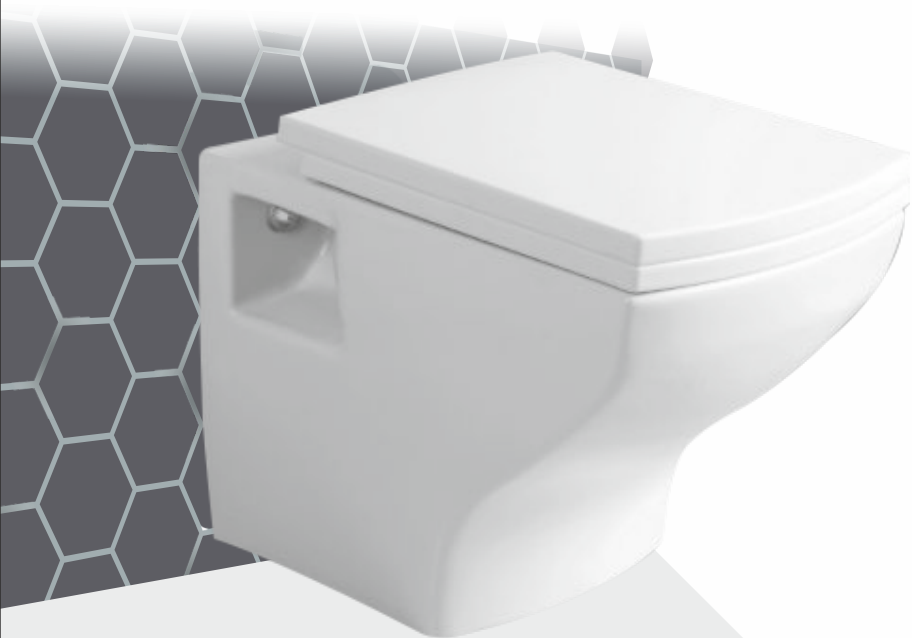

---

## 5. WALL HUNG BASIN

This collection shows how past imposes itself strongly on our present, without losing its glamour and ability of fitting into the most contemporary environments. It can be fixed on the wall with brackets to bring about a feeling of openness.

## 6. WALL HUNG TOILET

Designed to meet a variety of needs, from those of the home to contract work, without foregoing the elegant design and quality manufacturing typical of SONA FIELD products. The collection includes a toilet with a round & square shape and carefully designed dimensions that provide a new twist on the classics of bathroom furnishings.

## 7. ONE PIECE TOILET

Supporting family budgets with its 4-liter water saver one piece toilet. SONA FIELD also help save natural resources. It's prism, mercury, noyce & stratton model ensure pans perform complete cleaning using just 4 liter of water.

---

## 8. WATER CLOSET

SONA FIELD offers you the greatest toilets from its extensive line of sanitaryware. It's extensive collection of toilets will give any bathroom unmatched style. SONA FIELD guarantee that these goods, which come with distinctive characteristics for your modern bathroom, will radiate class and elegance.

## 9. URINAL

The modern life design features design with simplicity, clean lines and seamless curves, that provide a superior blend of comfort and convenience.

## 10. KITCHEN SINK

Introducing sinks that you can't take your eyes off. Maintain your kitchen's health and hygiene with our highly efficient and astoundingly sturdy sinks. Designed while keeping your priorities in mind, these sinks are durable, reliable, resistant to bents and dents. The efficient clean drain technology ensures that no stubborn food waste sticks to the edges or clogs your sinkholes. The add-on benefit of innovative dual sound absorption feature prevents noisy dishwashing so that it doesn't disrupt the calmness of your kitchen.
